Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

### I Me Mine New Introduction

"I Me Mine" is a song by the English rock band the Beatles from their 1970 album Let It Be. Written by George Harrison, it was the last new track recorded by the band before their break-up in April 1970. The song originated from their January 1969 rehearsals at Twickenham Film Studios when they were considering making a return to live performance. . Written at a time of acrimony within the ...

Iran is a complicated and mysterious country and Tehran is more so. Activities, population and cultures have shaped a new and ever changing logic upon which people relate to one another without prior familiarity. This phenomenon, despite being problematic, expands and facilitates innovations and creativity.
