To choose the best microwave for you, consider size, power, placement and special features. The best size microwave for you will depend on how much space you have available and how much food you'll need to heat up at a time. If your space is limited or you're only heating food for one person, a 0.5 cubic-foot model may be a good choice. If you're furnishing a gourmet kitchen, you may want a 2.5 cubic-foot combination microwave-convection oven.
