What are morals and morality? - Quora

Even if it is our responsibility to avoid moral judgements of the past, we cannot escape the moral nature of our work. Here at Clío's Current our mandate outlines our task of judging contemporary events by understanding the past – a twist on Bloch's wise words. We occupy a middle ground, one reflected in the words of historian George Cotkin.

History and Morality — Clío's Current

Morality is the standard by which we determine what is good. While many of us are going to have different definitions of the idea of good, there are some fundamental criteria that must be satisfied.

SUMMARY. Because every law springs from a system of values and beliefs, every law is an instance of legislating Morality. Further, because a nation's laws always exercise a pedagogical or teaching influence, law inescapably exerts a shaping effect over the beliefs, character, and actions of the nation's citizens, whether for good or ill.
