On Immunity An Inoculation Eula

On Immunity is an inoculation against our fear and a moving account of how we are all interconnected-our bodies and our fates. Read more Read less The Amazon Book Review

On Immunity: An Inoculation: Biss, Eula: 9781555977207 ...

Eula Biss isn't a scientist; she's an award-winning non-fiction writer and a mother. But based on On Immunity: An Inoculation, she's clearly done copious amounts of research. The book is a personal, impressionistic, fascinating look at the history of immunity, from those 18th century English milkmaids with cowpox who miraculously found themselves immune to smallpox to the crazy (and dangerous) theories of celebrities like Jenny McCarthy.

On Immunity: An Inoculation by Eula Biss

Eula Biss relates her own dilemmas about vaccinating her child to a wider assessment of the arguments for and against vaccination. She looks at practical issues such as 'herd immunity' as well as wider cultural concerns and preoccupations. A beautifully written, thoughtful, and illuminating book.

Eula Biss | Author Website

Upon becoming a new mother, Eula Biss addresses a chronic condition of fear-fear of the government, the medical establishment, and what is in your child's air, food, mattress, medicine, and vaccines. She finds that you cannot immunize your child, or yourself, from the world.
