### Journal of Community Health Nursing: Vol 39, No 1 (Current issue)

In medicine, rural health or rural medicine is the interdisciplinary study of health and health care delivery in rural environments. The concept of rural health incorporates many fields, including geography, midwifery, nursing, sociology, economics, and telehealth or telemedicine.. Research shows that the healthcare needs of individuals living in rural areas are different from those in urban ...

### Rural health - Wikipedia

Online education has increased access for students in rural areas and provided flexible scheduling for practicing nurses. 20 The National Council of State Boards of Nursing found strong evidence supporting the use of simulation as a substitute for up to 50% of traditional clinical time. 21 Since a lack of clinical practice opportunities is one ...
