236 Urban transport in  
the developing world  
Relative poverty — this  
definition refers to  
resource distribution. It  
applies to the  
proportion of the  
population with an  
income inferior to a  
particular percentage  
of the average or  
median income of the  
whole population  
(typically 10 or 20 per  
cent).
